Declass Review, NIMA/DoD

TID/SIEB-67/67
2 June 1967

MEMORANDUM FOR: Chief, Collateral Support Division, NPIC

THROUGH: Chief, Technical Intelligence Division, NPIC

SUBJECT: Russian Reconnaissance Aircraft

1. Three separate Russian aircraft have displayed large camera bay assemblies that are approximately the same size.

2. The Bear, Blinder and Badger each carry a different configuration of cameras but have equivalent bay assemblies.

3. Details of the probable configurations are shown on the diagrams attached and in the summaries.
